

GARCA

GEORGIA ROOFING CONTRACTORS ASSOCIATION

GET LICENSED.

Show customers that you have voluntarily stepped up to the plate, met the qualifications required, passed an examination and demonstrated Your commitment to professionalism in the roofing industry.

Become a GARCA Licensed Roofing Professional TODAY.

"We must all work together to raise Georgia's roofing industry standards, improve safety, increase public confidence and build a solid foundation for the next generation of workers."

Carson Finney
GARCA President

■ Get Your License

Individuals are licensed, not companies, however the primary license holder must own, operate or manage a qualified Georgia roofing company. Once a principal for the roofing company qualifies for a License, other company managers are then qualified to apply for licensing.

Download the guidelines and application by visiting rsmca.org/licensing. Verify your eligibility for licensing based on the guidelines.

GARCA's Voluntary Licensing Program

Georgia Roofing Contractors Association's (GARCA) Voluntary Licensing Program was developed to increase industry standards in Georgia by elevating roofing contractor's knowledge, skills and professionalism through voluntary self-regulation. The license is provided through and managed by GARCA and is available to both Residential (Steep Slope) and Commercial (Low Slope) contractors.

Through GARCA's Voluntary Licensing Program, you will receive recognition in association newsletters, event materials and on the association website. We will also provide you with a variety of materials you can use to promote your new license to customers and prospects.
